

November 11, 2018 - Good evening, CMP Families. This is Ms. Kathleen. I hope that you all have been able to enjoy some family time this three-day weekend. School and Club M are both closed tomorrow, Monday, November 12th, in observance of Veterans Day. This week, many classes are holding Harvest Luncheons, or attending fieldtrips, so please take a moment and check your classroom newsletter for specific details. On Wednesday, November 14th at 9:00 am at the BR site, I am hosting my November Principal's Café. I hope you are able to join me! Thursday is our Annual High School Fair from 2:00 to 4:00 in Bowman Hall. Approximately eight high schools from the Sacramento Area will be present to share information about their programs. While all families are welcome to attend, I would like to especially invite our Upper Elementary and Middle School families. Lastly, Friday, November 16th is our last day before the Thanksgiving Break. School will be closed from November 19th thru the 23rd, with Club M intersession open only on Monday the 19th and Tuesday the 20th for those children signed-up. We will see you all on Tuesday at school! Have a beautiful evening and a great week!
