

Good evening CMP Families. This is Ms. Kathleen. As we get ready for our first full week of school, I have a few reminders to share with you. The first is that the Funding Eligibility Surveys are due back to school tomorrow. On pink paper, this form was sent home on Friday. We realize this is a very short turn around. The children returning their completed form in the designated individual envelope by the due date of August 20th will receive a free dress pass. Secondly, next Saturday is the Elk Grove Multicultural Festival. CMP-Elk Grove will be hosting a table at the festival and we are looking for parent and family volunteers to share information about our school with the community. Please contact the school office if you are able to join me on Saturday at Elk Grove Park. Lastly, I would like to invite you join us this week for our Back to School Nights. Tomorrow evening, beginning at 5:00 in Bowman Hall at the Bradshaw site, we are hosting our Back to School Night for the Bradshaw kindergarten classrooms (Coral and Sapphire) and the Middle School Classes. A mobile live scan service will be available from 4:00 pm until 5:30 for your convenience. On Tuesday, August 21st, starting at 5:00 pm, all of the classrooms at the Elk Grove site will be hosting their Back to School Night. A mobile live scan service will also be available that evening from 4:00 to 5:30. We will be meeting in the quad. On Wednesday, the lower elementary classrooms at the BR site will hosting their Back to School Night starting at 5:00 pm, and on Thursday, August 23rd, the upper elementary classrooms at the Bradshaw site are hosting their Back to School Night starting at 5:30 pm. This is a great way to learn about your child's classroom, as well as meet other families in our school. Please remember that these are childfree events. We look forward to seeing you! Have a beautiful evening and a wonderful Monday!
