

Good evening CMP Families. This is Ms. Kathleen. This week the middle school volleyball team will begin practicing on Tuesday and Thursdays at the BR sight from 3:30 to 4:30. We are still in need of a coach for our Upper elementary team. Please contact Ms. Dennette at the Bradshaw site if you are interested in being a coach. In addition, this week, we will be holding a 7 Habits training on Thursday, September 13th starting at 5:30 at the Bradshaw site. This training is required before volunteers are able to participate in the classroom, chaperone fieldtrips, or work with the children. If you have not already taken this training, I highly recommend that you sign up, as there are a limited number of trainings each year. To confirm your attendance for the training, please contact the school office. I wish you all a wonderful Sunday evening and beautiful week!
