Projects

We do not have any take home projects at this time. However, we are very excited to begin preparation for our Social Studies inspired musical, *European Explorers in the New World*. The musical will be performed for lower elementary students at the Bradshaw and Elk Grove sites. Due to the unexpected closures and our iFly field trip being rescheduled to December 13th, we have postponed our play to January 25th. Students will be able to take home scripts over the winter break in order to practice their lines.
