Tastes from Around the World

Recipe Due: Friday, October 12th (Tomorrow)

Food Samples Due: Wednesday, October 24th

The Upper Elementary classes will celebrate United Nations Day with a Feast of Nations. Students will be asked to find a food that is specific to their background and culture to share with the class. Please provide enough samples for 30 people and bring necessary serving utensils (please label any utensils with your child's name).

In order to ensure every student can participate in our feast, please do not make any dishes that contain shellfish, egg, mango, and/or peanuts and tree nuts due to severe allergies.

FIELD TRIP INFORMATION

We are in the process of notifying families about current placements on the chaperone interest list. In order to alleviate some confusion, we are currently inviting the first five males/females on the 4th grade list, the first four males/females on the 5th grade list, and the first two males and females on the 6th grade list. Once we have numbers finalized we will be more accurately be able to determine if we need additional chaperones.
