Immersion week

Thank You!

Thank you for the supply contributions; we feel very prepared for our school year because of your support! Your fundraising efforts from the 2017-2018 school year allowed us to purchase new cubbies, STEM materials, and flexible seating and concentration tools (wobble seats, fidgets, and chair bands) this school year!

Projects

My Heritage Project

Due Monday, October 22nd

Prompts for the My Heritage Project were passed out on Friday, August 24th. You may access an electronic copy of the prompt on our classroom page. We are excited to learn and celebrate all of our different cultures and traditions!

Tastes from Around the World

Recipe Due: Friday, October 12th

Food Samples Due: Wednesday, October 24th

The Upper Elementary classes will celebrate United Nations Day with a Feast of Nations. Students will be asked to find a food that is specific to their background and culture to share with the class. Please provide enough samples for 30 people and bring necessary serving utensils (please label any utensils with your child's name).

In order to ensure every student can participate in our feast, please do not make any dishes that contain shellfish, egg, mango, and/or peanuts and tree nuts due to severe allergies.

"I was drinking in the surroundings: air so crisp you could snap it with your fingers and greens in every lush shade imaginable offset by autumnal flashes of red and yellow." - Wendy Delsol, "Stork"

FIELD TRIP INFORMATION

We are diligently working on notifying parents for their standing on the interest list and confirming the chaperones that will be attending the milestone trips for this year. If you originally signed up to be a part of the chaperone interest list you will be receiving a letter that will be inviting you to chaperone on the trip or outlining your position on the interest list moving forward.

Please note that we acknowledged all DMV paperwork submitted on or before August 30th, even if it was not yet cleared.

Just as a reminder, parents must have had the following requirements completed in order to stay on the interest list:

- DMV cleared through the date of the field trip
- TB cleared through the date of the field trip
- Livescan cleared through the date of the field trip
