Welcome Back from Winter Break!

Welcome back from winter break! Hopefully you were all able to get a little fun, rest and relaxation in while battling the cold and flu season that seems to have taken our CMP community by storm. It is such a balancing act between supporting our "Every Day Counts" attendance efforts and recognizing that a child (or staff member) needs to stay home due to illness. I so appreciate everyone's efforts to be at school on time each day.

On a different note, I would like to just say that this year is flying by so quickly and we are already beginning our planning for the upcoming 2018-2019 school year. Re-enrollment packets will be going home on January 22nd, so please keep an eye out for them. They are

due back on February 2nd. Also, lottery applications for siblings for the upcoming school year are available in the school office. The kindergarten lottery will be held on March 19th at the Central Administration Office. To be considered for that lottery, the application must be submitted to the school office by 6:00 pm on Friday, March 9th. All other grades lottery will be held on Tuesday, April 24th. If you have any questions or need any assistance, please don't hesitate to contact the school office. Thank you for your trust and ongoing support as we service your child.

Handsome Has Found His Forever Family

Over the Winter Break, Handsome, the campus cat @BR found his forever home with the Garcia Family!! He has been spending time getting to know his new fur siblings and is enjoying all of the love and attention he is getting!

Tyson Project A+

Our school is participating in the **Tyson Project A+™** program, a fund-raising program sponsored by Tyson Foods, Inc. Through this program, we can raise up to \$12,000 for our school this year! The money can go towards supplies, building improvements, school programs, or anything else we choose. It's an easy way to raise

much needed funds by sending **Tyson Project A+** labels from products you probably already buy. Here's how it works: Just clip and collect **Tyson Project A+** labels from participating **Tyson®** product packages and send them to school with your child. A volunteer will collect the labels and send them to Tyson Foods, and Tyson Foods will

send our school a check. Each label is worth 24¢! I'd be happy to answer any questions you have about the program. You can also find details online at ProjectAPlus.tyson.com.
