Read Across America: Dr. Seuss' Birthday

Tomorrow, the Elk Grove Campus will be celebrating the National Education Association's (NEA) Read Across America. Many of the classes have special activities scheduled to celebrate.

Read Across America is an annual reading motivation and awareness program that calls for every child in every community to celebrate reading on March 2nd, the birthday of beloved children's author Dr. Seuss. In May 1997, a small reading task force at NEA came up with the idea to create a day to celebrate reading. The group chose Dr. Seuss' birthday as the day to celebrate, and on March 2, 1998, the first celebration of reading was held.

Save the Date: Art Walk @ both sites

Please join us on April 19th for our Annual Art Walk! This family friendly event is one of the highlights of our year as students, families, and staff enjoy displays of the children's artwork, live performances from our talented student body, and a craft market ambiance highlighting the wares of our enterprising students. The student vendor booths have become a staple of our Art Walk, as the children display their creativity and entrepreneur skills. Forms are located in the front office for student vendors and to be able to participate in the Performing Art Show. We hope you are able to join us for this fun and entertaining event.
