California Montessori Project - Elk Grove Campus

Our Week in Review

What a great week it has been! Thank you to everyone who attended our recent Principal's Café and for the input for developing CMP-Elk Grove's LCAP.

It was definitely an exciting day at EG, as Mr. Gary and Ms. Laurien (principal of the CMP-Carmichael Campus) met with not just parents and staff, but students from Kindergarten through 8th grades. During the meetings, the students shared what they appreciate about their school, and what they would like to see for their school. They had wonderful ideas ranging from one week a month of free dress to having ceramics at school.

Also this week, students and staff came together for our monthly Trait Assembly. This month's

focus is on Care of the Earth. At the EG site, the Ruby Class performed a skit regarding littering and using reusable materials. At the BR site, the Tanzanite and Jasper students explained way to conserve, reduce, reuse and recycle to keep the earth beautiful.

However, that is not all for this week! We still have our Art Walk this afternoon. Always a fun event, the students have been busy preparing to share their artwork, performing art, and student made crafts with the community. I hope you are able to join us this afternoon from 4:00pm to 6:00pm at both sites for this wonderful annual event.

We are still in Need of Volunteers

Our school is sponsoring an aid station at the American River Parkway 1/2 Marathon on Saturday, April 28th. We will be on the runners course at River Bend Park. We are looking for 10 to 12 volunteers to operate the aid station to fill up water cups, and pass them out to runners. There are two

shifts. The first shift to set up from 7:30am to 9:30am, and the 2nd shift at 9:00am to 12pm for clean-up. This is a great volunteer opportunity for families, as children are welcome to join and accompany their adult. Wear your CMP field trip shirt, and bring cheering bells and energy to encourage the runners and our very own

Ms. Kathleen. She has been running one 5K a month since August, but this is her first half marathon.

If you have any questions please contact Ms. Jenie in the Ruby Classroom @EG jtice@cacmp.org

Lost and Found

Be sure and check lost and found this week! There is quite a collection of jackets, sweaters, and water bottles. All items will be donated after Friday, April 27th.

Water Bottles and Sunscreen

The sun is shining and the weather is getting warmer (at least for this upcoming week – lol). Please be sure to send a re-fillable water bottle to school, each day, with your child.

This is also a great time to start applying sunscreen to children in the morning, at home.
